

Local Authors, Local Issues

Who better than local writers to uncover and write about local issues...
and who better than a **locally owned, locally operated, locally involved**
bookstore to carry the publication...

Get the new book "**Communities & Consequences**"

by Peter Francese and Lorraine Stuart Merrill

Available at RiverRun bookstore!

"When residents of a community come together to examine their priorities and needs to form a vision for the future, they can make it a priority to welcome and make room for young people and people of differing incomes". - page 88

Through the end of February, 2% of RiverRun's sales benefit

The Housing Partnership.
